## **Parto Karimi, M.D.**

trioSkincare, Anti-aging and Acne Management Clinic welcomed Dr. Parto Karimi to our staff in 2003. She is a dedicated, genuinely concerned and enthusiastic physician. Dr. Karimi is a well-rounded Internal medicine specialist who excels not only in acute and ambulatory care medicine but also in Cosmetic Procedures. She has a way of making everyone feel good about themselves, with or without medical intervention and all her patients love her.

Dr Karimi received her State of Hawaii Medical License after graduating from Ross University School of Medicine in New York in 1993. She practiced internal medicine for Kuakini Medical Center and Kaiser Permanente in Honolulu, HI, and was an Assistant Professor of Medicine at the University of Hawaii. Her colleagues say, "She has proven herself compassionate, patient and caring in her interaction with patients and is a valued member of our staff."

Luckily an unexpected event brought Dr Karimi to the Bay Area. Her academic excellence, her genuine concern for patients and her enthusiasm, have endeared her to our staff and clientele. Dr. Karimi directs and administers cosmetic injectables and medical services for trioSkincare. Her training in advanced aesthetic procedures includes collagen injections and fillers, botox, laser aesthetics, microdermabrasion, skin resurfacing and chemical peels.
